

**Nick D, 18, Student Athlete, Concord, MA - 2 year client - 70 pound weight loss**

My parents were worried about my weight and since they both saw a Satin Wellness Specialist they thought I should too! I feel so good and am happy at school now. I can run and keep up with the rest of my friends. I just finished a successful career as a starting goalie on my Lacrosse team and am headed off to college.

Thank you for your help and you are all awesome!
